- **St Peter's organized the District Cross Country event across the year: whole staff participation in organizing and running the community event for 14 schools on two Saturdays.**
- **The netball team reached the district league finals**
- **Attended the Panathon event at Surrey Sports Park, which targeted pupils with low participation in sports and pupils with SEND. More B teams entered for external events.**
- **Y6 organised the afternoon School House Sports event (traditionally run by secondary pupils). It was a huge success and gave every Y6 child a chance to take responsibility, show their organizational and time management and team building skills.**
- **Y5 pupils organized teams at School sports Day.**
- **Y5 have acted as Daily Mile leaders for the rest of the school**
- **Our staff Sports Leader was Team Manager for the Waverly team in the Surrey Schools' Quad Athletics. This involved training the district team – high profile for the school-community commitment (team included five St Peter's athletes).**
- **Entered gymnastics competition for the first time.**

- Developed links with local/community sports clubs- free taster sessions, encouraging more children to participate outside school (floorball, basketball). Two roller hockey clubs have been running for a term and will continue over next year.
- Girls' football clubs have been established this year – targeting all age groups (down to Y1).
- Yoga sessions have been established across the school – twice a term for every child.
- Y6/Y5 non-swimmers invited to early morning regular swimming sessions in small groups – good results.
- Yoga sessions for staff established.
- PE lead allocated an afternoon to dedicate to sports organization/planning.
- Significant sports participation is publicised in local press/social media.
- Whole school celebrations of success and participation have ensured that sport has a very high profile with pupils, staff and parents.

### Targets for 2019-2020

- Continue to develop challenge at all levels through close liaison with CM sports
- Develop girls' football by supporting creation of new league
- Develop a more democratic approach to workload surrounding sports – individual staff allocated responsibilities.
- Explore other ways for pupils to benefit from yoga (small groups/individuals)?

<b>Meeting national curriculum requirements for swimming and water safety</b>	<b>This is taught by St Peter's staff in conjunction with specialist swim teachers at 07:30 on a Friday morning throughout the school year.</b>
What percentage of Y6 cohort swim competently, confidently and proficiently over a distance of at least 25 m?	<b>97%</b>
What percentage of Y6 cohort use a range of strokes effectively?	<b>94%</b>
What percentage of Y6 perform safe self-rescue in different water based situations	<b>94%</b>
Schools can use the Primary PE and Sports Premium to provide additional provision for swimming but this must be over and above the national curriculum requirements. Have you used it in this way?	<b>no</b>
