Our Vision Statement

"At St Peter's we have high expectations where everyone achieves and succeeds within a safe, inclusive Christian community. We promote independence, respect and empathy. Through an exciting curriculum, children are inspired to become lifelong learners and active world citizens."

CHARGING & REMISSIONS POLICY

Person Responsible:	Resources Committee
Review Period:	Every 3 years or in light of new regulations
Date Adopted:	Autumn Term 2018
Status:	Statutory
Next review:	Autumn Term 2021
Ratified by Governor:	26 September 2018

(based on a model policy from Babcock 4S)

Rationale

The Education Reform Act 1988 establishes the basic principle that the education provided by any maintained school for its registered pupils should be free of charge. This basic underlying principle requires that there should be no school admission charge and no charge for any related activity which takes place during school time. Exceptions to this general statement are detailed below.

Aims

To ensure that activities offered wholly or mainly during normal teaching time should be available to all pupils regardless of their parents' ability or willingness to meet the costs. The school will maintain the right to invite voluntary contributions for any of the school's activities whilst making it clear that there is no obligation to do so, and that no pupil whose parents do not make contributions will be treated differently on this account.

Charging & Remissions

Voluntary contributions are requested towards the cost of various activities:

Day Educational Visits & activities:

For day visits to places of interest, that incur transportation costs and/or entry costs, parents are asked for a voluntary contribution towards that cost. If inadequate funds are donated towards the visit, then the school reserves the right to cancel the trip and return monies received. Parents not wishing to make a voluntary contribution in whole or part, but wishing their child to be included, must make the fact known directly to the head teacher, who will treat any such approach in the strictest confidence. A permission slip is required before a pupil participates in school trips whether the parents had made a contribution or not. Visits where a request for a voluntary contribution is made include:

- visits to museums & places of interest
- sporting activities which require transport expenses
- outdoor adventure activities
- visits to the theatre
- school trips;
- musical events

School visits and activities will be planned in advance and, if sought, voluntary contributions will usually be invited through individual letters/emails to parents. The letter/email, asking for support, will outline the proposed visit, cost, educational value and its relationship to the school syllabus.

Swimming:

At the time of writing - The school organises swimming lessons for non-swimmers in years 5 and 6. These children attend Friday morning Swim Club at a significantly reduced cost. Pupil Premium pupils are not charged.

The National Curriculum requires that children:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations swim comp

When a child meets the above requirements, they relinquish their place to another non-swimmer. Our aim is for every child to meet the requirements before they move on to secondary school.

School Clubs:

As from September 2018, a charge to attend a school-run club was introduced. There is now a minimal charge of £1 per child per week. Families are expected to enrol their child in a club for at least 1 term (approx 10 weeks), with the fees payable in advance.

Residentials:

For residential visits deemed to be within school hours, parents will be asked to contribute fully towards the cost. Remissions may be available for some parents, particularly low-income families.

All requests for financial assistance are considered. Parents are asked to meet with the Head Teacher and a form is completed (for internal school use only) to indicate who will meet the full costs of the trip, eg:

- Contribution from parent
- Contribution from Pupil Premium funding
- Application to local charity
- Contribution from School Fund

Often the costs for a child are covered by a combination of all the above. The school will always ask for a contribution from parents (even if this is a small amount).

At the time of writing the school invites children from years 4 and 6 to take part in residential, curriculum enhancing, activities at various educational activity centres. The school strives to enable every Year 6 child to fully participate in the residential and works closely with the Home School Link Worker and local charities.

Damage/Loss to School Property:

No charge can be made for lost books/damaged equipment/property/ etc. However, the school retains the discretion to request voluntary recompense for these (for example, if the loss or damage is the result of pupils' behaviour).
