INTRODUCTION

Any money owed to the school has an impact upon the school's finances and may affect the resources the school is able to purchase for the pupils of the school. We hope that parents understand this and make every effort possible to avoid owing money to the school. The school will actively pursue the collection of monies owed to it.

Along with the Finance Department, the Governing Body is responsible for ensuring that procedures are in place for the recovery of any outstanding debt.

This Debt Management Policy sets out the procedures for debt management and recovery, particularly in relation to residential trips, school meals and our Before/After School Club (BASE).

No school uniform will be provided until payment is received in full.

SCHOOL MEALS & RESIDENTIAL TRIPS

- Payment for school meals is expected to be made at the start of each term. In agreement with the school office, payments can be weekly in advance (usually on a Monday). Payment for residential trips are expected to follow the schedule issued.
- Payment via our on-line SCOPAY system is encouraged, although cash and cheques will be accepted.
- Any arrears will be pursued by the school on a weekly basis, via our email system, by phone call or a letter will be posted if the parent has not provided an email address for communication with the school.
- Arrangements can be made to clear any debt by instalments. Parents are always encouraged to speak to staff regarding outstanding debts.
- **If payments remain outstanding for more than one week** - If payment is not received, a **'first reminder'** email/phone call/letter will be issued at the end of the first week of non-payment requesting payment on the following Monday (see APPENDIX A). Parents are expected to settle the amount owed by a single payment after receiving this letter.
- **School Meals - If payments remain outstanding for more than two weeks** - a member of school staff will again attempt to contact the parent to discuss the debt. If payment is not forthcoming a **'notification of withdrawal of school meals'** letter/email (see APPENDIX B) will be issued, requesting payment by the following Monday. Further school meals will be suspended until all outstanding debts are cleared. Parents will be expected to provide a packed lunch, and this will be made clear in all communication.

- If payment is not forthcoming, staff will refer the details to Surrey County Council legal department for guidance on issuing a County Court summons.

APPENDIX C

FINAL WARNING LETTER (prior to County Court proceedings)

Dear Parents

Child/children: _____

Letter Before action – County Court Proceedings

I regret to note that despite emails, phone calls and text messages, we have received neither settlement for the outstanding school dinner payment, nor any valid reason as to why payment is being withheld.

Outstanding Amount: £_____ in relation to school meals/residential trip

In these circumstances I must advise you that if settlement is not received by _____ (date) then you will leave us no alternative other than to pass the papers to Surrey County Council with an instruction for you to be issued with a County Court Summons in order to secure recovery of the overdue sum.

When taking such action Surrey County Council will claim not only the amount of the debt, but also Court costs, and, in some instances, statutory interest. You will therefore potentially lay yourself open to payment of these additional expenses should you choose to disregard the contents of this letter.

We trust however that in the event such action will not become necessary and that we may now expect your payment in full settlement to the school office.

Yours faithfully

Finance Office/Business Manager/Head Teacher
