

Easter RE Year Five

This is a mainly a 'deep' thinking task, following on from what you've been learning in class. You will already have explored some of these ideas.

Bellini – The agony in the garden

You all know the Easter Story – but this asks questions. Why did Jesus die? Who was really responsible? What did His death mean for Christians?

1. Please look at the PDF attachment (it was impossible to download only the bits you need). Remind yourself of The Stations of the Cross by reading pages 38 and 39.
2. You may like to look at some of the famous artwork suggested on page 40.
3. Your task is to complete the Responsibility Pie on page 41 (print out or draw your own). There's no right or wrong answer.
4. Read the situations on page 42 – maybe discuss your thoughts with an adult or older sibling. Compare them with the ideas on page 43.
5. Move on to page 45 and *use the sentence starters to write your own short piece on what you think about Jesus' death as a sacrifice.*

This is quite a challenging piece of work – take your time to think and talk. You will find that adults also find it challenging. Remember that Jesus' death and the concept of Salvation is a key concept for Christians around the world.

Keep your thoughts as this unit leads into the learning you'll be doing around Easter in Y6.
