

Hello 1W,

Well done with all your Home Learning! We are so proud of you all.

Keep trying to read every day. We can't wait to see your books and read your stories.

We hope you are having fun drawing, colouring, playing, exploring and making all sorts of things.

Make sure you keep fit and do lots of exercise and try to be kind and helpful to everyone at home.

We are missing you all but we hope to see you all back at school soon.

Happy Easter!

With lots of love

Mrs Williams and Mrs Usher xx
