

I can say or sing three nursery rhymes without help.	I can recognise and name three kinds of flowers.	I can recognise and name three kinds of trees.	I can make my own bed.	I can dress myself in the morning.
I can put my clothes away tidily.	I can use a knife and fork to eat my meal.	I can build a 'reading' den (inside or out).	I can hop on one foot for 3 metres.	I can wash and dry my hands independently.
I can draw or paint a picture of someone in my family – does it look like them?	I can tell three well known fairy tales.	I know what the Fairtrade sticker means.	I can set the table for a family meal – counting the plates and cutlery.	I can make a vehicle from recycled materials.
I can create a suitable home for a small woodland creature.	I can set up & do a simple exercise circuit challenge (see Hamilton activities).	I can explain the rules of one of my favourite games (taking turns, counting, who wins? etc)	I can tell the Nativity story (who was born? who else was there?)	I can make a collage of an animal for my teacher at school (choose my own materials- draw my own outline).
