

Hi Year 6 !

Your first RE Unit for the summer term is called:

WHAT KIND OF KING IS JESUS?

Lots of people say the point of our lives is to make the world a better place and to leave it better than we found it. What do you think?

1. Make a list and rank some of the worst problems we face in the world today (for example, hunger, hatred, war and violence, cruelty to children, lack of love, lack of healthcare, poverty, abuse of natural resources ...).
2. Find out about one or two people who have done something to make one of these problems less awful.
3. Write a poem, a verse of a song or a Nobel Peace Prize citation to celebrate the person's achievement. List five ways in which people in the next 50 years —**in your lifetime** — could make the world a better place.
Consider: Who will do this? Will they help?

Remember there are no right or wrong answers here. It's your personal responses that are important. Mrs Marshall or Mrs McCann (your RE teachers would be thrilled to hear your ideas (email attachments)!
