

## Week beginning Monday 4<sup>th</sup> May

Dear Children and Parents/Carers

As we head into another week of home learning Mrs Goddin and Mrs Smith hope that you have found time to do the things you always wanted to do but never before found the time. Thank you to those of you who sent us photos of work and activities. Please keep these coming - we promise to reply!

This week you will have an **English** unit on King Midas and will be using the punctuation of speech. New spellings have been set on Readwriter. Please practise each of the 5 Ms - Motivate, Model, Magnify, Master and Measure to familiarise your weekly spellings and organise for a spelling test to celebrate your learning.

For **Maths** go to White Rose Home Learning - <https://whiterosemaths.com/homelearning/year-3/> Remember also that there are 2 new Mathletics tasks each week.

In **RE**, which is all about Judaism, you will be continuing work on the Synagogue. Go to [http://www.bbc.co.uk/religion/religions/judaism/worship/synagogue\\_1.shtml](http://www.bbc.co.uk/religion/religions/judaism/worship/synagogue_1.shtml)

Read through the text. Cut some pieces of paper/card and make some fact cards explaining what the following are:

Minyan, kippah, tallit, Ner Tamid and Bimah.

Read out your cards and information to someone in your family.

For your **History** we would like you to focus on the Emperors of Ancient Rome. Draw a timeline showing when each Emperor was in power. Then choose one, draw him, and find out all about him. The links below will be helpful.

<https://www.bbc.co.uk/bitesize/clips/zsf4dmn> BBC Bitesize on Emperors

<https://www.historic-uk.com/HistoryUK/HistoryofBritain/Timeline-of-Roman-Britain/>

In **French** we'd like you to take a look at the story of Little Red Riding Hood. This is a link to The French Experiment site <https://www.thefrenchexperiment.com/stories/petitchaperonrouge> and is a lovely version of the story. When you have listened to the story in French, scroll down and read the translation. Draw the characters and label them with their names in French and English.

For **Music** get listening to the Mussorgsky - 'Pictures at an Exhibition'. Feel free to search out other wonderful pieces of music if you have completed Mrs Cobb's tasks.

### **Art**

Go to the following website

<https://www.tate.org.uk/kids/make/paint-draw/create-art-van-gogh>

Read about Van Gogh and how he drew and painted portraits.

Complete a self portrait following the instructions.

(The other two lessons will be for the next two weeks.)

We would also like to encourage you to work on the **St Peter's Challenges** (there will be a prize draw for those who manage these).

And finally, be kind to yourselves and others and remember that some of you will be finding this time quite difficult. None of us has experienced this before but we can all look forward to being together again, when it is safe. Why not try Face-timing a friend or someone you think may need cheering up. We want you to feel inspired by our suggestions above and not limited. So if you have alternative ideas and other activities, both planned and spontaneous,

please do share them with your friends and school so that we can all enjoy your enthusiasm. Don't try to do everything unless you want to!

Lots of love and prayers

Mrs Smith and Mrs Goddin
