

Dear Year 4,

We have so enjoyed hearing from many of you this week and we are extremely impressed with the fantastic, innovative way in which you have approached your home learning. We are very proud of all of you and the way you are keeping yourselves occupied at home. The range of skills you are showing is admirable – budding photographers, cyclists, bakers, gardeners, artists, poets, architects, designers, writers, movie makers, potters....! You must all give yourselves a pat on the back and an extra little clap on Thursday for you and your families as well as our key workers.

We want to remind you that it is really important during this time that you read. Many of you are avid readers and enjoy a variety of stories. Sometimes, it is hard to know what to read and it would be brilliant if we could share some of your best reads to give each other ideas of authors that you might enjoy. **Please send us 2 of your favourite reads so far** and we will compile a Year 4 Reading list that we can have access to.

Well done those of you who have found problems under **Explore** on Mathletics. If you haven't had a go at those please try this week. If they are too tricky you can message us and we will help you. Have you all logged into **Readiwriter**? We publish new spellings on **Readiwriter** regularly so please log in and check you have completed the activities.

Keep well, keep active and keep going!!

Mrs Simpson and Mrs Bench xx

**Last week's riddle** : *I am weightless, but I can be seen. Put me in bucket and I'll make it lighter. What am I? A hole!*

I'm so fast you can't see me, though everyone else can see straight through me. I don't stop until the day you die. What am I?

*Believe in Yourself.*

*Be Kind*
