Creative challenge

Can you draw around your hand and make your hand outline into an animal? If you have some paint you could print your hand instead. What about making your hand into a bird or a fish, an elephant or an octopus?

Remember, we would love to hear how you are doing so do send us some learning you are proud of. We will also update the challenges on Mathletics, Education City and Purple Mash.

We won't be suggesting anything new for half term, but if you need ideas, look back over earlier weeks and try something you didn't get time to do the first time!

Whatever you choose to do, keep having fun, keep being kind and keep safe.

With love from Mrs Williams and Mrs Usher xx
