Dear Year 4,

Welcome back to the Summer Term!

We hope you have been out in the sunshine over half term and enjoyed spending time with your families. This term will be slightly different as some of your siblings may be returning to school. Make sure you have a timetable to tick off activities that you have completed, as this will help you structure your day.

We would love to know how you are so please continue to email us. Send us anything you have done that you are proud of. You might want to tell us about a gripping book you have read or a delicious recipe you have tried. You might have found a new way of remembering your times tables. We will be back in school teaching, but we will be checking our emails. We will be setting and checking **Readiwriter and Mathletics**. Please remember you will be set these activities each week and you are expected to do them!

Have you completed the challenges now? Let us know how you have got on with them. Have you been using your tricks to help you at home? Which trick have you found really helpful? We would like to know.

Keep smiling and keep active !!

Last week's riddle: I'm so fast you can't see me, though everyone else can see straight through me. I don't stop until the day you die. What am I? **A blink of an eye!**

What has eighty-eight keys but can't open a single door?
