

The five pillars of ISLAM

Islam (the religion) has five key pillars which influence the way in which Muslims (followers of Islam) lead their lives.

You are going to explore the key beliefs and practices of Islam through investigating the five pillars and how they impact Muslims' lives.

First – think about what a pillar is? Where would you expect to find a pillar?

What do people mean when they say someone is: *A pillar of the community?*

Now open the PPT and work through the slides which also include a short clip.

You will find a sheet which will help you to record your learning about the five pillars.

Then post your learning on Purple Mash.
