

Dear Year 4,

How has your first week been back home learning? We hope you have managed to get back into a learning routine.

We notice that you haven't been sufficiently active on Mathletics or Readwriter. These are compulsory and you are expected to complete these activities. Please login to see what you need to catch up on. If you have mislaid any login details please email us and we will send them to you.

We would love to know how you are so please continue to email us. We would like you to upload a piece/some pieces of your recent work onto a display board in Purple Mash. If you log into Purple Mash look at the bar at the top of the screen; you should see a button called Sharing. When you open this you have two options: Display Boards and Shared Blogs. In the Display Boards you will find a board called 4B or 4S. We would like you to share pictures of your learning and we will then approve it and add a comment.

Remember take a picture of the work, not yourself. You won't be able to see it until we have approved it; we will try our best to approve them as soon as we see it but please be patient..

Keep working hard and keep reading !!
