

12th June 2020

Dear Year 2

We hope you are all keeping well and have been busy this week. The Year 2 Key Worker children have been completing the same learning and challenges in school as we have set for you at home. Hopefully you have been able to complete some of them. We would like to send you all a hug. We are really missing seeing you every day.

Please don't forget to share with us the learning you have been completing at home. Even though we are now back working in school we still really want to hear from you and to know that you are OK. We will check Purple Mash and respond to your work on there. Don't forget to look at the display boards by clicking 'Share' to see what others have been doing. We will also reply to any email and help with anything we can. This is what some of you have been busy with this week.

Edward made a hug to send to someone special, Rudi has mapped out his local area, and Anna has completed a careful observational drawing.

Have you learnt your home address, and did you have a go at sending a letter to yourself? Florence's letter went to the Jubilee Sorting Office in London and took 4 days to get back home!

Here are some other suggestions of more practical activities you might like to try this week.

Reading for Pleasure

Reading together is the best thing you can be doing during Lockdown.

We would like you to listen to 'Cyril and Pat' read by the author, Emily Gravett <https://www.youtube.com/watch?v=b45BR6MtbCA>

You might want to look at Emily's website and find out more about the author. Have you read any other books she has written?

<https://www.emilygravett.com/>

Cyril and Pat are the best of friends!

Who's your best friend and what are your five favourite things about them?

<p>Science</p> 	<p>We are going to be thinking about the characteristics of living things. How do we tell if something is alive? https://www.bbc.co.uk/bitesize/clips/zg7s39q</p> <p>Think about something. Is it living, was it once living, has it never been alive? We have included a sheet with pictures that you might like to discuss and sort, but it would be even better if you were to write the 3 headings and see how many items you can find to list under each heading.</p>
<p>RE</p> 	<p>Did you think about God's World and what makes you say 'Wow'? The children in school have been painting pictures to show their thoughts.</p> <p>This week we will begin to think about how Christians worship. Part of worship is listening to readings from The Bible. What do you know about the Bible? You might want to watch these short clips which explain a bit. https://request.org.uk/restart/2015/01/21/the-bible-3/ https://request.org.uk/restart/2017/07/01/question-pod-2/</p> <p>Do you have a Children's Bible at home? Why not read some of the stories (or use the clips on request.org) and have a go at retelling the story in your own words.</p>
<p>Geography</p> 	<p>Visit a recreation ground in your local area, for example Wrecclesham Recreation Ground, Langhams Rec or Beldham Park. Look at the features of the area. What is there for visitors to do? https://www.bbc.co.uk/bitesize/clips/z8ngkqt</p> <p>Draw a map of the area and mark the features on you map. Can you add a key to show what each feature is?</p>
<p>Wellbeing Jigsaw</p> 	<p>Create an 'All about you' jigsaw puzzle. You could use photos, pictures from newspapers and magazines and your own drawings. Take a look at the Wellbeing Jigsaw for some ideas of what you might include on your jigsaw.</p>
	<p>Mrs Cobb has recorded a music lesson for you this week. You will find it on our home learning page.</p>

Remember, we would love to hear how you are doing so send us one piece of learning you are proud of. We will also update the challenges on Mathletics, REDIWRITER and Purple Mash.

Whatever you choose to do, have fun, stay safe and be kind to one another.

With love from

Mrs Hill, Ms Edmonds and Mrs Afonso
