Some of you may have siblings who are back at school, but we will continue to plan work for you to do at home. Try to strike a good, healthy balance between the set work, the St Peter's School Challenges and looking after your emotional, spiritual and physical health. Remember to take a look at the yoga with Mrs Perry.

It has been lovely to see some of your work. Thank you for your emails - it has been good to hear from those of you who have made contact.

Well done with your amazing reading. Remember to organise a reading slot with your friends and family using Zoom, FaceTime or Whats App, on the phone or computer. Remember, too much screen time is not good for you!

Please don't panic if you can't get all the work we plan for you finished. Just do your best!

Lots of love and prayers,

Mrs Smith and Mrs Goddin
