

19th June 2020

Dear families of Caterpillars and Tadpoles,

We hope you are all keeping safe and well. This week we have welcomed more children back into school. We hope those of you still at home are managing ok. Please keep in contact with us regularly as we like to know how everyone is getting on.

Next week we will start learning about superheroes. We have recorded a few more stories for you to watch and our challenge is to make a superhero costume. What will the logo look like? What will the shape of the mask be? What colours will be used? We would like you to design and make a mask and a cape. Will you make wrist bands too? Once you have made your costume we hope that you will enjoy being a superhero and go on lots of adventures saving the day around your house.

We will continue our phase 5 phonics next week. We will introduce 2 new sounds as well as recapping those we already know. There are videos to watch which introduce each new sound (phoneme). They are videos suitable for EYFS and Year 1. Again, they are rather long so you may want to split it into parts or cut some bits out. Have a go and see how you get on.

The 2 new sounds this week are:

Split diagraph o-e <https://www.youtube.com/watch?v=8ly-lUHLnxw>

Split diagraph u-e https://www.youtube.com/watch?v=aW-zdYN_z90

Please don't forget to share with us the learning you have been completing at home. Even though we are now back working in school we still really want to hear from you. Please email regularly to let us know how you are getting on.

Please take care of yourselves and remember we are thinking of you.

Kind regards

All staff in EYFS.
