

3<sup>rd</sup> July 2020

Dear families of Caterpillars and Tadpoles,

We hope you are all continuing to keep safe and well. Most reception children are back in school now and have loved catching up with each other and completing the work set. We hope those that are still at home are managing ok with the work set. Please email us if you need any support.

Next week we will be learning more about transport and journeys we take. We will be sharing Paddington Bear stories, discussing the different types of transport he uses - planes, trains, taxis and cars. Please do watch the stories we share and discuss them with your child.

Our challenge this week is so set up a vehicle race. Can you set up an experiment to see which of your vehicles travels the fastest and which one is the slowest? How can you record your results? We would love to see how you organise your learning. Don't forget to share it with us!

We will continue our phase 5 phonics next week. We will be introducing 4 new sounds as well as recapping those we already know. There are videos to watch which introduce each new sound (phoneme). They are videos suitable for EYFS and Year 1. Again, they are rather long so you may want to split it into parts or cut some bits out. Have a go and see how you get on.

The 4 new sounds this week are:

oy - <https://www.youtube.com/watch?v=d-5QYq382lo>

ir - <https://www.youtube.com/watch?v=-jb0ccqvNEr0>

ue - <https://www.youtube.com/watch?v=DgHINZo3jnM>

aw - <https://www.youtube.com/watch?v=6Em7ix0mPdc>

Please don't forget to share with us the learning you have been completing at home. We still really want to hear from you. Please email regularly to let us know how you are getting on.

Please take care of yourselves and remember we are thinking of you.

Kind regards

All staff in EYFS.
