The sound /igh/ spelt 'igh'

Have a go at practising 'igh' and 'ie',
which can both make a long /i/ sound.

Can you air write an
'igh' with your finger?

Can you write a 'ie'
on the back of your
hand?

Can you write either
an 'igh' or an 'ie' on a
partner's back?

Can they tell what
letters you have
written?

Be Careful!

Some words don't have the 'ie' or the 'igh' spelling patterns.

The /igh/ sound can also be spelt with 'y' and even the letter 'I' on its own.
