Dear Year 3 Children and parents/carers,

Hello to you all and a belated Happy New Year. We hope you all had an enjoyable Christmas. I don't think any of us expected to be back in lockdown and home learning for the start of the new year. But, well done to you all for the hard work you have put into this first week back. We do realise that we have had a few teething problems but hopefully this week's learning will be easier to access.

Many of you have been busy with online learning and are already working hard on Mathletics, Readiwriter and Purple Mash, We hope you have been able to access the online videos for the White Rose maths lessons as these help with the worksheet. The link can be found on the timetable this week (week 2) but if you have any problems accessing them, please let us know. We now have a Year 3 email up-and-running and we will endeavour to reply as soon as we can. This email is [year3@stpeters-farnham.surrey.sch.uk](mailto:year3@stpeters-farnham.surrey.sch.uk)

The teachers and TA's will be working alternate weeks in school teaching keyword pupils in each year group. We will therefore take it in turns to respond to emails and your queries relating to home learning. We do very much work as a year 3 team however if you want to communicate directly with your class teacher directly just let us know.

We ask that your parents or carers email one piece of maths learning and one of English each week, alongside anything you would like to share with us (from the foundation subject areas). A photo of the work is fine, or a scanned file - anything that makes life easier for your grownups. A number of tasks have been set on Purple Mash with no time-limit and these can be completed at a time during the week that suits you and your family. We can communicate with you on Purple Mash and there is a blogging page which you can join.

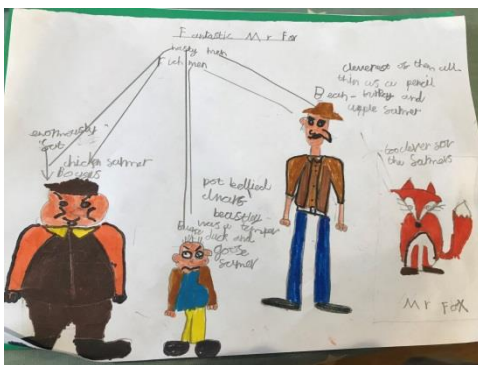

Remember, we miss you and love seeing all the brilliant work you are completing.

We hope you have a great week. Have fun, stay safe and be kind to one another.

With love from

Miss Edmonds and Mrs Smith

Once there was a girl standing bravely in the dark and cold forest. She was whimpering and sounded afraid of the amazingly loud noises coming from the trees above, "what am I going to do?" she said. Then suddenly a brave whisper came from the moon to her eyes then they started to glow !!!..... She looked as afraid as you would be if you came across a big dinosaur! "W-what just h-happened", she whispered, ..... Then a loud screech came from her shivering mouth, "W-what is that?" she said loudly with fear, then a voice answered back, "Do not be afraid I am your inner soul I am here to tell you that you are in danger, you need to escape this forest immediately or you will be found by the king and his followers! "What does that mean?" Asked the girl, "it means you will be a prisoner in the castle! "Why would he do that?" she asked, "it means that you will have to work for the king in his castle!" said her inner soul. "What is your name?" asked the girl's inner soul, "oh my name is Chloe" "ahhh yes, yes, yes that's it!" "Oh no! I hear someone coming!" said Chloe "RUN RUN RUN!!!" said Chloe's inner soul. "I promise I will always be by your side, even when you are lost," said the girl's inner soul..... RUN! RUN NOW!!!!..... Chloe ran and ran and ran. "Phew! I got away!" she said..... but little did she know something was following her.... Chloe was out of breath so she sat on a rock. Suddenly the rock went slippery, it had started to rain and rain and rain. Chloe got soaked by the drizzly water coming from the sky. Then her inner soul spoke to her, "you are not safe here in the woods, you have to run away!" "But, I cannot see the ending of the woods anywhere near, so how would I know which way to go?" Said Chloe, "Just follow your true instinct that is in your mind" said Chloe's inner soul. "Ok!" said Chloe ..... and on she went running right through the
