LI: To gather information about the Alps

What do you know about the Alps already?

What would you find there in the winter?

What would you find there in the summer?

If you wanted some information about the Alps, what would you want to know about?

What might your headings be, for your report?

You may like to use the following headings:

Geography

History

Climate

Animals

Attractions/Tourism

Now see what information you can find to put underneath your headings.

Use [Swiggle.org.uk - Child Friendly Search Engine for Kids](https://www.swiggle.org.uk/) to search for information about the Alps

Remember to write it down as bullet points
