Dear Parents and Carers,

Thank you so much for sending in examples of the fabulous home learning and videos this week. We have loved seeing what you are doing at home.

We have also enjoyed viewing activities on Purple Mash and look forward to receiving message from the children on the Year 3 blogging page.

It has been another busy week both at home and at school. We miss seeing everyone in school and feel sad that we cannot welcome the pupils back to school yet. We have, however, put together another week of exciting activities for you to do, including teeth cleaning and Supermovers. We should remember to keep healthy in mind and body as well as aim to work hard at the learning. Using Trick Box regularly is a great way to instil and encourage a positive mindset.

We have listened to your comments regarding the English lessons and included a video recording for each day of the week. This talks through the learning and our expectations. We hope this helps.

We have also suggested lessons which could, potentially, be completed as Zoom sessions between classmates. We understand some of you are having regular Zoom calls already, so you could combine these calls with guided reading, PE or even spelling lessons. If you are not linked up with other families and would like us to help with this, we will certainly try. We cannot, unfortunately, set up the Zoom calls, but will try to link you with another family to enable you to communicate/connect directly.

We continue to try new things to ensure our pupils feel they are still very much part of the Year 3 community, despite not actually being in school.

Love and best wishes to you all,

Mrs Smith and Ms Edmonds and the Year 3 team

PS Here is some of the brilliant home learning we have received this week.
