## Cohesive Devices C

Imagine a scene from a Harry Potter Book

For example, where Hagrid meets the stranger who offers him a dragon egg.

Write it as a narrative, using cohesive devices to link the events smoothly. Your writing should be one or two paragraphs.

For example,

Hagrid first noticed the stranger when he sat down in his usual chair. The man, whose face was covered in layers of scarf, was watching him with strangely intense eyes. Although the man made Hagrid feel a little uncomfortable, he gave him friendly nod and looked back at his drink.
