# Acceptable Use of Technology Policy
Remote Learning 2021

I will use an appropriate background

I will not share my login/passwords with others

When on camera, I will be dressed appropriately (no pj) and not be in a bedroom.

I will make sure my microphone is muted unless I am speaking

I will make sure my camera remains on

Active Citizen
Inclusiveness
Courage

Love one another as I have loved you – John 13v34

I will raise my hand if I want to speak

I will listen to others when they are speaking

I will log in on time for the start of my session

I will report any concerns to the member of staff leading the session

I will use appropriate language and behaviour as if I was in the classroom

I will not take recordings or photos of anything posted in Teams unless I have permission from the member of staff leading the session
