CHRISTMAS HOLIDAYS				

Based on DfE latest guidance, we shall aim to hold our worship/assemblies as pre-covid. If guidance changes or we find it's not working, we shall revise. As always, changes may occasionally need to be made at short notice.

All worship should be Christian based with God at the centre. If the focus is another religion, the assembly must include a link with Gospel message and a Christian prayer.

- Class Worship should include a relevant passage/reference from scripture – *if children are preparing – please check that their choice is appropriate and offer guidance.*
- *School values: Please encourage children to make links wherever possible.*
- Please say **The Lord's Prayer** and *The St Peter's School Prayer* regularly in class so that children become familiar with the words. *Please teach the MODERN VERSION of THE LORD's PRAYER.*
- Class Worship may be two classes together - but it must happen. **All staff should be in class worship - unless on playground duty; all staff should be in whole school assemblies.**
- ***Class Worship should follow the theme of the week. It does need some preparation. Please try to focus on quiet reflection rather than a Q/A session. Worship is not RE. Everyone should have a planning format and a folder. Just a few notes will suffice but it does have to be evidenced.***
