

St. Peter's C of E Primary School

Dear Parents,

October 2016

At the time of writing Year 6 are on their Year 6 residential. I had the privilege of spending two nights and three days with them. They have all been a real credit to our school. The behaviour has been excellent and their appetites extraordinary! The children have thrown themselves into all the activities with enthusiasm and encouragement for others. Many children have overcome nerves and fears but have felt such satisfaction afterwards. We love seeing the different characters come out during their time away from the classroom. I know they will take away so many happy memories of their trip and built new friendships and respect for each other. May I say a huge thank you to the staff who have given up their time and families this week and given our children the best week ever.

I wish everyone a happy and restful half term. We look forward to welcoming you back on Monday 31st October.

Best regards
Sarah Dunning

Morning Drop off Reminders

Now all the children are used to lining up to enter schools (years 1-6) please can parents remain on the netball court and not move with their children to their line. Thank you.

If you arrive just as Mr Sturgess is locking the side gate (by the main staff car park) at 8.50am please do not follow your children around onto the school site. You end up being locked inside the grounds and need to exit through the building which is causing congestion. Thank you

Keber Concrete help Forest School !

We wish to thank a local company - Keber Concrete for their generous donation of materials for Forest School. They have enabled us to provide a safe entrance to the Forest area. This donation has meant that the project can continue and all our children will benefit from this improvement. We will have steps built into the entrance which will improve the safety of the entrance. We would never have been able to afford this without their donation.

Healthy Schools

We are working towards gaining healthy schools status. There is one area which has really set the discussions going and that's sweets/cakes on birthdays. Whilst it is lovely to celebrate a birthday by giving out sweet treats we are not promoting a healthy lifestyle. What a dilemma!!

To help us please could you complete our quick survey monkey of 2 questions (plus a comment box if you wish). We will email the link out to you.

Thank you for your help.

Friday Assemblies

We love having so many parents at our Friday class assemblies. We will from now on be dismissing the presenting class first from the hall so they can get changed and organised for their 9.20am lessons promptly. This means there will no longer be an opportunity to stay behind after the assembly to chat to your children.

Times Tables

We all know that learning our times tables is a life skill and the basis for most maths. The national curriculum expects children to know all their multiplication and inverse division facts up to 12x12 by the end of year 4. Please support your children to learn their tables. There are some fun singalongs on You Tube to help .

Prayer Group

The prayer group continues to meet monthly to pray for the school. Anyone is welcome to join us. Forthcoming meeting is on 3rd November at 8:50am in the small room adjoining the music room. For more information contact Kathryn Beesley on 724366.

Farnham Schools Cross Country

Sports Captains, Molly and Eben, led the super St Peter's Team to victory as we won the Boys cup and were runners up in the Girls. For the first time ever St Peter's conquered over other schools to win overall. All of KS2 girls and boys pushed themselves to the limit to exceed expectations on a mild October day at Farnham Park. One of the many school cups we hope to win this year.

Together Everyone Achieves More.

Many thanks to all the staff and parents who have supported us.
