**THE DAILY MILE** has been launched at St Peter's School! With the fitness of young people being a topic of national interest, as a school we are challenging each child to try and run a mile a day. Year 5 are providing our own 'Daily Mile Leaders' and they have mapped out a route, introduced some classes to the programme and are going to track the progress and impact on their chosen class. Talk to your children about this new idea as the leaders are hoping that over time parents may join in at school drop off and pick up.

Look out for our Daily Mile Leaders  
 – Jasper, James, Eben, Leah, Jessica,  
 Tom C, Olivia, Amy, Alice, Grace,  
 Molly, Shaye, Tom H, Hugo, Maddi,  
 Ruby.

Take a look at them mapping the route and leading the way for the classes...

**Updates from our Sports Captains:**

- \*So many tournaments, events and children involved in sport, it's amazing.
- \*It's great being able to inspire other children in my role.
- \*It is a busy, successful time but great fun.
- \*I love being able to help organise and support the running of some of the sports events that are going on.

*As we go to press the swimming team are competing with other Farnham Schools to test their speed and stamina in the pool and the floorball team, made up of our very own national stars, are competing for the right to progress to the county final. Keep an eye out for our next edition to see how these teams fared.*
