

# ST PETER'S SPORTS PAGE

Edition 12: May 2016

Edited by Caroline Hyland (PE Coordinator)

It has been a quiet start to our Summer Term so far, hopefully we are all saving our energy for a busy second half term full of sports events. Saying this, all our summer clubs are underway with record numbers of our children involved. Focus is on fitness, cricket, rounders and athletics so keep an eye on the calendar and notices for events for all year groups. There are some highlights to take a look at since our last edition.....

## RUGBY RAMPAGE!

Year 4 followed in the footsteps of our older rugby team when they travelled to Farnham Rugby Club to compete in matches against a number of Farnham Schools. We have now established ourselves as a 'rugby school' to watch, especially as we out-performed many of the other schools. Both boys and girls demonstrated confident ability to run, tag and scored many tries. Watch out for more positive results next year as the season begins again in September.

## 'Run to Rio' with The Daily Mile

The Daily Mile continues to go from strength to strength. Everyday there is a trail of runners around our route with children pestering to run more and more. The Daily Mile Leaders have been busy measuring each class to see how far we are to achieving the distance from London to Rio. News will be released after half term.

## Weydon PE Visits

Trips to Weydon are just part of our curriculum now with our children being provided with great opportunities from the Weydon students. By the end of the year every child will have had the chance to experience the outstanding sports facilities and PE teaching that is on our door step. Thanks Weydon, we are one lucky local primary school!

## Sports Captains

Keep an eye out for our Sports Captains around school as shortly they will be seen run off their feet updating displays and gathering entries for sports day. That on top of helping to organise teams for district athletics, rounders and cricket events.

## Netball News

As promised it's time to report on an excellent performance from our Year 6 netballers as the season drew to a close just before Easter. At the Farnham Schools Tournament we put up some good performances against some strong sides and ended the tournament with a win. Well done netballers, a great end to the season!

## Fitness Fun with the Young Leaders

The Year 2 Fitness Fun club is a club not to be missed – every Tuesday the Young Leaders can be found at lunchtime planning their session and then creating an hour of fun filled fitness activities for the lucky club members after school. Trust, confidence and enjoyment can be seen on the faces of all involved – including the staff! Keep up the great work leaders!

### Events coming up.....

Check your school calendar as there are a number of important sports events not to be missed, least of all St Peter's Sports Day. There are also athletics festivals for KS1 in the pipeline plus our annual rounders and district athletics events. Finer details will be available as events draw closer. Keep your eyes on emails and letters.

### Summer Safety with Swimming

With the summer holidays and great weather around the corner, just a reminder of the importance of children being safe near water. Swim Squad continues every Friday morning with spaces becoming available in September. There will be a Swim Squad Gala on Friday 8th July (the last session). Keep swimming everyone!

*Please, please help your child to remember their PE kit every week for their PE lessons. All the children will need trainers, hats and sun cream for sports day so let's sort this in good time.*
