EASTER HOLIDAYS				

- All worship should be Christian based with God at the centre (in some way). Do not assume that you are addressing a Christian audience (use Christians believe....) Invite questions/discussion.
- Please ensure that you say **The Lord's Prayer** regularly in class so that children become more familiar with the words. **Please encourage the C of E modern version of the Lord's Prayer (in line with Guildford Diocese).**
- Class Worship may be two classes together but please ensure that it happens. The school should be quiet on Tuesdays and Thursdays at 10am. Aim for the sessions to be more reflection than teaching/learning. Remember to make this time 'special' and 'different' for pupils.
- **Wherever possible, particularly in KS2 - please try to link the theme to events happening in the world. In this way, children will begin to appreciate the relevance of Christian beliefs in today's world. Also make links with different religions where relevant.**

- ✓ **British Values: Democracy, Rule of Law, Individual liberty, Mutual Respect, Tolerance and Respect for all should underpin all of our worship sessions.**
- ✓ **All worship sessions should embrace and celebrate Spiritual, Moral, Social and Cultural opportunities. Always embrace and celebrate diversity.**
